

## WELCOME TO THE PRESCHOOL PREP CLASS

We want to take this opportunity to tell you the things that will go on during your child's day at Rosey's Young Preschool Group.

We will have group time everyday. During that time we will go over the alphabet, numbers, colors, shapes, flash cards, and the days of the week. We will also be helping the children learn their full names as well as their parents full names.

Everyday after group we will have project time. Our projects will be focused on the letter of the week. Along with the alphabet, we will also have a theme every week. The themes will vary and we will do projects that coincide with them. All of our projects will consist of painting, coloring, gluing, and other activities that promote small motor skills. We also concentrate on tracing. This will help prepare the children to write their names.

It is very important for the toddlers to develop their motor skills. Using their hands, fingers, and legs are important. To enhance these skills we will be doing many activities daily.

We plan for this year to be very special and rewarding for you and for your child. If at any time you need to speak with one of us, please feel free to do so!

We ask that each child brings in wipes on the first of each month. We ask that you please bring in 260 count Huggies or Pampers brand wipes only. These wipes are used for all of the children in the class

## PRESCHOOL PREP DAILY OUTLINE

6:30-7:30am	Drop off and Choice Activities/Organized Play
