Our Focus for Summer Camp

During the 2024 Rosey's Summer Camp the kids will be introduced to a lot of new friends, activities/games and crafts. We will be focusing mostly on play, healthy habits, being kind to one another and just having fun! There is a schedule that will be followed most days, but there could be an occasional activity or "special day" every now and then. Please always look at the board for updates on a day to day basis.

Every day the kids will take a break after lunch for some downtime. During this time, they will be able to read, write, draw, color do workbooks, etc. Also, the kids will be able to use electronics daily and we will limit the time. Since it is summer and we want the kids to be able to relax, but still be active. In the past, it has been 1 hour in the morning and 1 hour in the afternoon.

This years Summer Camp is filled with lots of fun activities and hopefully some field trips. It will be filled with positive energy throughout everyday. We are ready to have a spectacular summer.

What to bring to Summer Camp:

A water bottle- Please have your child bring a water bottle everyday. It is very important to stay hydrated throughout the day and we will be spending a lot of time outside when it is nice. They are able to refill the bottle during the day. Don't forget to label it and take it home to wash it.

A packed lunch for park days- On park days they will be eating at the park. Please make sure your child brings a lunch on their park day. NO NUTS!

Lunch from home- Rosey's provides lunch for all kids except on park days. Summer Camp follows the same menu as the rest of the center and we do not make substitutes to the menu. Your child is welcome to bring their own lunch as long as it doesn't contain anything with nuts. We take lunch count at 9am and it is the child's job to let us know if they brought a home lunch or will need a Rosey lunch.

Snacks- Rosey's does not offer snacks. Please pack snacks for your child each day.

Sunscreen- This is highly recommended. If you would like your child to have sunscreen, you will need to provide it and make sure that it is labeled.

Swimsuit, towel, water shoes, water toys- Summer Camp will have water day every Friday. It is optional for all children, but they would need to have a swimsuit and towel on these days.

Extra clothes- It is always a good idea to have extra clothes available no matter what age they are. Rosey's does not have extra clothes and we would have to call you at work if your child needs a change of clothes.
