

Summer: June, July and August

We are so excited that it is finally summer and we have a lot of things planned like water day, special treats and fun activities. For the summer months we have a variety of themed weeks, but we will still review everything we have been learning throughout the school year!

We will be working on our Fathers Day gifts starting June 13th. The kids always love making these gifts.

Please make sure your child is bringing a full water bottle to school everyday. Also there will be no more Show and Tell for the summer, with that in mind please keep all outside toys at home unless it is a stuffed animal that they wish to sleep with at nap.

As the weather is getting hotter make sure that your child has weather appropriate clothes in their cubby. If they are being potty trained please bring in at least 3-4 sets of clothes.

We will start water day on Thursday June 23rd, it will be on every Thursday throughout the summer. Please bring them **DRESSED** in their swim suits and water shoes on those days. Also put their regular clothes and shoes in a separate bag to be changed into afterwards. They can bring in water toys but they need to be labeled so we don't misplace them.
