

## MARCH 2023 NEWSLETTER

Normally I would say that March has come in pretty fast which means Spring is right around the corner but this year it feels like it can't come soon enough. Winter wasn't that rough but a little warmer weather would be welcoming. The kids are looking forward to more outside time with warmer weather also.

I want to take a minute to praise my staff who comes to work every day to take care of our children. Friday, March 3rd, is Staff Appreciation Day where we honor our teachers for the care and love they bring to our kids. An extra special "Thank You" that day would mean a lot to all of them. Most of us know Child Care is not the most financially rewarding industry but our rewards come to us with love from the kids and the appreciation of our clients.

Please make sure your child has the correct seasonal clothing for their extra clothes. Shorts in the winter is not a good idea for anyone. They also need their appropriate outerwear for outdoor time.

Please remember to not send your child to day care with a fever. You giving them medicine in the morning is not "fever free" for 24 hrs. As soon as the medicine wears off, their temperature comes back and everyone has been affected. Please keep your child home if they are ill.

As always, any questions or concerns just stop in the office and we can help you. Hopefully, the Leprechaun will pop in on St. Patrick's Day and bring the kids a chocolate coin during their nap.

Have a great month!
